MULTIPLE STUDENT - SAME RANK RULE

27. In the event that there are fewer number of seats available under a particular category in a school, than the number of candidates with the same category-wise rank seeking admission to the same school, then all those candidates will be offered seats by creating a requisite number of supernumerary seats after exhausting inter-se-merit of candidates as per Para 13.8 of AISSEE-2025 Information Bulletin issued by NTA.

VERIFICATION OF DETAILS

28. A correction window was already provided during registration of candidates for AISSEE-2025 to amend any details. At the time of registration on the AISSAC-2025 website, candidates will NOT be allowed any change in their personal details including name, gender, father's / mother's / guardian's name, domicile state, date of birth or category.

REGISTRATION AND FILLING-IN OF CHOICES OF SCHOOLS

29. For registration and filling-in of choices of schools, candidates should log in to the <https://pesa.ncog.gov.in/sainikschoolecounselling> using following credentials: -

- (a) AISSEE-2025 Application Number will be entered on the portal. Hence, AISSEE-2025 candidates are advised to keep all the documents required for AISSAC-2025 ready before the start of the registration process.
- (b) One Time Password will be sent on both the mobile number and email ID registered during AISSEE-2025 registration on the NTA portal.
- (c) After entering OTP, Candidates will also be required to set their password. Thereafter, candidates need to log in with their Application number as their User ID and enter the password set by them.
- (d) Upon successful login, the candidate's details will automatically be fetched from the database of AISSEE-2025 registration.
- (e) **Candidates will be asked to reconfirm the details. Only after confirmation of details, the candidates' registration will be considered successful.**
- (f) **Candidates not registering on AISSAC-2025 portal, will not be considered for the allocation of seats in any of the schools.**
- (g) The flow chart to understand the process of e-counselling is attached at Appendix-P.

30. Registration and Filling-in of choices on the online portal is free of cost, i.e., candidates are NOT required to pay any fee.

31. The choice filling of schools will be based on the qualification result of AISSEE-2025 promulgated by NTA.

32. Candidates are given a window (as per the timeline on the portal) for registration (one-time only) and filling of their school choices in the order of preference. This window will **NOT** be extended under any circumstances. Requests in this matter shall not be entertained. During this period, each candidate must fill choices carefully. The candidate must select only those schools in the choices which the candidate is willing to join and prioritise them in the order of preference.

33. It is important for candidates to carefully prioritise the schools during the window provided, while bearing in mind that only the choices filled in would be made available for seat allocation and **only ONE seat** from among the choices filled-in will be made available to the candidate.

34. Candidates are advised to visit the respective school website(s) for fee structure, scholarship and other related information applicable for Individual schools. AISSAC-2025 /SSS shall not be responsible for fee structure, scholarships etc related rules applicable for Individual schools and will not entertain any request or complaint regarding the Fee Structure.

35. Lock-in Choices of Schools.

(a) Candidates MUST "LOCK" their choices on/before the last day of choice filling.

(b) Once locked, the choices filled by a candidate can be edited, prior to closure of last date of choice filling. This can be done by clicking on the edit option available to unlock the choices on the portal.

(c) If the candidate does not lock the choices, then the default choices as shown to candidate by portal will be considered for seat allocation.

36. Prioritisation of Choices of Schools. Candidates will NOT be allowed to edit their choice list after the deadline for choice filling, i.e., candidates CANNOT change the order of their choices OR add any more school/s in OR delete any school/s from their choice list after the deadline for choice filling. Candidates will be allowed to reprioritise the choice of schools one more time before commencement of Spot Admission (Offline Round). Available school and category wise vacancy list will be displayed on the portal for the information of the candidates to make informed choice regarding availability of seats.

Candidates are strongly discouraged from sharing their login information with others.

OPTION AVAILABLE TO THE CANDIDATES AFTER SEAT ALLOTMENT

37. It is the candidate's responsibility to log in to the AISSAC-2025 portal and check if a seat is allocated in a given round of seat allocation. A schedule of e-counselling activities will be updated on the website after every activity. If the candidate is allocated a seat, the following option will be available to the candidates, for which the candidate needs to take action (ACCEPT/ RECONSIDER/HOLD & CONTINUE) before the last date/time specified for the given round, i.e. the round in which seat is allocated.

(a) If no action is taken by the candidate, the seat allotted to the candidate will be cancelled and it will be considered that the candidate is not interested in the counselling process and the candidate will not be able to participate in any further round of online counselling or claim admission in any school based on AISSEE-2025 merit.

(b) Such candidates would be considered during Spot Admission-Offline Counselling subject to availability of seats.

38. **Candidates allotted school by portal.** The following option will be available to the candidates after allotment of school: -

(a) **ACCEPT**. If a candidate accepts the allotted seat, he/she has to complete admission formalities (Medical cum Physical Verification) within the prescribed time (As per the timeline). Failing to do so, the candidate will not be able to participate in any further round of counselling or claim admission in any Sainik School based on the merit of the AISSEE-2025 exam.

(b) **RECONSIDER**. If a candidate is not satisfied with the seat allotted, he/she can opt for the 'RECONSIDER' option to participate in the next round of counselling for the remaining available seats for other preferred schools minus the school allotted to him. However, in doing so, the allotted seat shall be automatically cancelled and no further claim will be admissible. The candidate will not be considered for the same School again. It may further be noted that reconsideration does not entail change in priorities/choices for school. The Choice of schools filled prior to commencement of online rounds will be considered for all online rounds.

(c) **HOLD & CONTINUE**. If a candidate is partially satisfied with the seat allotted, and wants to take admission in allotted school, but wants to be considered in subsequent rounds of counselling, he/she can opt for the 'Hold & Continue' option.

(i) By choosing this option, candidate has to **mandatorily** take admission in the school allotted to him by the portal. Failure to do so, would result in cancellation of his candidature for admission in Sainik Schools/ New Sainik Schools for current year.

(ii) The candidate once admitted to the school, would figure in the merit in subsequent rounds of online counselling, for schools higher in priority to the school already accepted by him and taken admission into. *(Please note, this would not be applicable for candidates allotted their first priority of school by the portal.)*

(iii) In case, the candidate is allotted a higher priority school by the portal, then he/she can choose to accept the school on the portal. Once accepted, the entire credentials of the candidate from the old school would be transferred to the new school, i.e., medical records, documents and fees deposited.

(iv) This is a one-time activity for the candidate, aimed at the academic pursuits of the candidate.

(v) Once the new school is accepted by the candidate, he/she would no longer be eligible for seat retention in previous school.

(vi) Due diligence by the candidate needs to be exercised, whilst opting for this option, clearly understanding the parameters given above.

Note-

1. On selection of either of the Accept/ Reconsider/ Hold & Continue by the candidates, a pop-up window would appear, to re-confirm their choice of Accept/ Reconsider as 'Yes' or 'No' option.
2. The statement of the pop-up window selection of either of the Accept/ Reconsider , would be: -

Accept	Reconsider	Hold & Continue
1. You have selected 'Accept' option.	1. You have selected 'Reconsider' option.	1. You have selected 'Hold & Continue' option.
2. Common for all options: - <i>"Are you sure, you want to continue?"</i> "Yes" - This is re-confirmation by candidate on his option selected. "No" - This would re-direct the candidate back to the previous screen of selecting the options of Accept/ Reconsider		

PROVISIONAL OFFER OF SEAT AND ITS CONFIRMATION

40. The allocation of slots for medical and reporting for physical verification of the documents will be intimated to the candidates by the allotted school through email on registered email id and SMS on mobile. The same will also be listed on the school website mentioned at **Appendix A/B**. In case candidate has received email/SMS for admission to allotted school and there is no intimation from the allotted school, the candidate is to contact the school authorities on the telephone number and email id specified at the **Appendix A/B**.

41. A candidate who has been allocated and **ACCEPTED** a seat in any School as per the preference of choices filled by him/her and merit, he/she has to complete admission formalities (Medical cum Physical Verification of documents) within the prescribed time (**As per the timeline on the portal**). Failing to do so, the candidate will not be able to participate in any further round of counselling or claim admission in any Sainik School based on the merit of the AISSEE-2025. The candidate accepting the allotted school needs to follow the steps as given below: -

(a) **STEP-1 : REPORTING AT MEDICAL CENTRE**. After seat acceptance, candidates will have to report at the Medical Examination Centre as per the Slot allotted by the admitting school. It is the parent's responsibility to get the medical done of their son/daughter. However, the school will provide help to the candidates in coordinating with Medical Authorities, in case of any problem faced by the parents. **For existing Sainik Schools, the format of the medical form will be available on the AISSAC-2025 portal. For the approved new Sainik School, the candidates will get a Medical Fitness Certificate from a registered Government physician. Biometric verification of the candidate with the left-hand thumb impression is to be placed on the Medical Fitness Certificate.**

(b) **STEP-2 : PHYSICAL VERIFICATION BY ALLOTTED SCHOOL**. After the medical fitness report, candidates will have to report at the admitting school, and produce all required documents to the admitting school. The admission will be cancelled, if the candidate fails to meet the requirements as per the prevailing norms. Therefore, it is the responsibility of the candidate to keep the valid certificate or document ready. All the certificates/documents will be verified at the time of Physical reporting at the admitting school. **A list of suggested documents for Sainik Schools are given at Appendix-C.**

(c) **STEP-3 : PAYMENT OF FEE**. After completing the above two steps or any other admission formalities of the admitting school, pay the fees of the school and get the admission confirmed. Biometric verification of the candidate against the Registration details received along with the merit list from BISAG-N is to be conducted by the school.

After completion of all formalities, Principal of the schools is requested to update the status of the candidates by clicking on ADMIT tab.

It is the candidate's responsibility to plan their travel such that the Medical cum physical verification of documents is completed by the last day of the counselling round in which they are allocated a seat (if any) [As per the timeline on the portal]. No exceptions shall be made in this regard.

42. **Candidates on 'HOLD'.** The candidates may face the following types of situations: -

(a) **Candidates Declared Medically Unfit.** The decision of the Medical Board will be final except where a representation has been made to the Principal. The Principal will examine the appeal himself and decide with reference to the evidence produced before him if the case calls for merit. A case in which competent medical opinion is produced to counter the finding of the previous Medical Board, will normally merit a review. Such cases will be put on '**HOLD**' by the Principal. Subsequently, the Principal may coordinate with the medical authorities and arrange a Review Medical Board for the re-examination of the candidate. If the Review Medical Board finds him fit for admission, the Principal will '**ADMIT**' the candidate on the portal and admit him to the school if his rejection was only on account of lack of medical fitness after Physical Verification and payment of fees. The school may charge a fee of **Rs.100/- (Rs.50/- from SC/ST candidates)** for holding a Review Medical Board. However, the candidate will be required to appear before the **Review Medical Board at the designated place** at his own expense. In the case of an **UNFIT** report, the Principal will click the '**REJECT**' button on the Portal.

(b) **Discrepancies in the documents.** In case of any discrepancies in the documents during Physical Verification, query(ies) (if required) raised by the allotted school must be responded by the candidate within the last date/time specified for the given round [as per the timeline on the portal]. Additional query(ies) may be raised by the school in case discrepancy(ies) still persist(s). In such cases, the candidate must respond to the additional query(ies) within the last date/time specified for the given round [as per the timeline on the portal]. The allocated seat will be confirmed or cancelled based on the validity of the document(s) produced in response to the query(ies) and the candidate meeting the eligibility criteria. Failure to reply to the query(ies) raised would lead to seat cancellation and will be considered as a rejection of the offer. **Such cases can also be put on 'HOLD' by the Principal at their discretion owing to the veracity of the case.** In all HOLD cases, the seat of the school will be blocked and will not be released till the time school **ADMIT /REJECT** the candidate's status on the Portal.

43. **It is the parent's/candidate's responsibility to plan their travel such that the Review Medicals cum physical verification of the documents is completed by the last day of the e-counselling round in which they are allocated a seat (if any) [as per Timeline]. No exceptions shall be made in this regard.**

44. **The Parents are also advised to keep adequate funds ready at the time of registration and choice filling for payment of the Fees, in case of allotment of school to avoid last-minute hassles. Non-payment of the fee within the Timelines subject to the fitness of Medical standards (including Review Medicals) cum physical verification, is one of the ways to reject the offered/allocated seat in school and will be treated as a rejection. In such a situation, the school may reject the candidate with reasons and the candidate will no longer be able to participate in the seat allocation process in the subsequent rounds.**

45. **Candidates who do not take any action to the allocated seat CANNOT participate for the same allotted seat/school further any more in Seat Allocation for the ensuing academic year 2025-26.**

CATEGORY/GENDER/DOMICILE DISCREPANCIES IN THE DOCUMENT

46. **Gender discrepancies.** If a female candidate wrongly declares their gender as male and is allotted a seat in a school where female candidates are restricted, the allotted seat will be cancelled. Similarly, if a male candidate wrongly declares the gender as female and is allotted a Female-Only seat, the allotted seat will be cancelled. Such candidates would not be considered for any further seat allocation in AISSAC-2025.

47. **Domicile discrepancies.** The following rules will be applied, if there is an error in the domicile: -

- (a) The state code of eligibility will be corrected in the AISSAC-25 database.
- (b) Retention/cancellation of seat will be as determined by the following table: -

Eligibility	Allocated Seat Quota	Action
Outside state quota	Outside state quota	Seat will NOT be cancelled
Outside state quota	Home state quota	Seat will be cancelled
Home state quota	Outside state quota	Seat will be cancelled

- (c) Candidate will be considered for seat allocation in subsequent round(s) for the remaining seats for seat allocation (if any), provided all other requirements are satisfied.

48. **Category discrepancies.** For candidates who wrongly declared the category and if same is noticed at a later stage during Physical Verification then the category tag of the candidate will be changed (for the purpose of seat allocation) to General and Candidate will be considered for seat allocation in subsequent round(s) for the remaining seats for seat allocation (if any), provided all other requirements are satisfied.

49. **Principal of schools will highlight all three types of situations mentioned in Para 46 to 48 to the Sainik Schools Society for consideration and further decision. The decision by the SSS with regard to such discrepancies shall be final.**

50. Delays or disruptions in service due to the breakdown of AISSAC computer servers shall be rectified as early as possible and notified on the web portal. The decisions of AISSAC/SSS in this regard shall be final and binding.

51. **Grievances Redressal/helpdesk:** -

- (a) In case of any query/grievance with respect to AISSAC-2025, please contact: admissions@sainikschoolsociety.in or contact any of the Sainik Schools. (contact and mail ID given on the portal)

- (b) The decision(s) by the SSS with regard to such grievances shall be final.
